NOVEMBER & DECEMBER 2025

This November, we're especially thankful for YOU — our incredible blood donors.

Because of your generosity, patients in our community have a second chance, families get more time together, and lives are saved every single day.

💧 You give more than blood, you give hope, healing, and heart.

TALKING POINTS

- On Veterans Day, we remember and celebrate the brave men and women who risked their lives to defend our way of life. We honor these veterans' courage and sacrifices. Give the gift of life in honor of a veteran you love.
- Happy Thanksgiving! This holiday season, when you give blood, you give an invitation to your Crowded Table – to your gathering, your celebration, your joy. You save the lives of others – and you save them a seat. You extend a helping hand – and you hold hands in grace and gratitude. The greatest gifts are free. Give hope and healing.
- Can you change the world on Giving Tuesday! Yes, you can! Giving blood is a beautiful act of care, kindness and love that connects you to something larger than yourself. Give blood today for a better tomorrow.
- It's that time of year again: flu season. When many of our fellow community members are sick at home, it's even more important to give blood if you're well. Spread hope, not the flu. Hospital patients are counting on you.
- Warmth, connection, togetherness. Friend, we invite you to make a difference. Make this holiday season a Holiday of Hope.
